

## Algae Hunter 90 Day Algaecide

- One treatment lasts 90 days
- Works on all types of algae
- Non-staining, non-foaming formula
- Safer, less time-consuming and more economical than chlorine algae treatments

Available in Quart Bottles.

90 Day Algaecide FOR POOLS Reliable & Effective Kills and Prevents Blue-Green, Green, Yellow and Black Algae. Long Lasting Algae Prevention and Control for 90 days. Non-Foaming Proven Effective and Reliable.

Algae Hunter is an excellent broad-spectrum algaecide that keeps pool water clear and sparkling. Algae Hunter is formulated with an extremely effective, economical, low-dose organic copper complex that kills and prevents all types of algae including blue-green, black, and mustard algae. Each application stays effective for up to three months.
