Introducing

The advanced approach
to pool care!

Enjoy The Simplicity!

- *Relax*TM is the easy-to-use approach to pool care that consumers are looking for today.
- The *Relax*TM pool care system is the most convenient to use on the market.
- *Relax*TM is sold exclusively to the pool professional.

Enjoy The Convenience!

- *Relax*TM contains all the chemicals the pool owner needs for one month in one convenient box.
- *Relax*TM contains a special sanitizer that's used on a weekly basis and special tablets that are used once a month.

- *Relax*TM comes in four convenient sizes for:
Aboveground pools up to 24 ft. round; pools up to 15,000 gallons, 20,000 gallons and pools up to 30,000 gallons.

RelaxTM Uses Less Chlorine!

- Because it uses up to 80% less chlorine, *Relax*TM almost totally eliminates problems associated with chlorine use!

Enjoy Watching Your Profits Climb!

- *Relax*TM is designed to maximize sales with simple one box packaging.
- Guaranteed repeat sales! Customers will return for their next month's supply guaranteeing you customer contact.
- Opportunity for high profit margins.
- The eye catching packaging was designed to attract customers like magnets, all you need do is sit back and watch your profits soar.

Enjoy The Display!

- Attractive packaging creates big impact displays.
- *Relax*TM is designed in bright and colorful packaging created to attract attention and almost sell itself.
- Your attractive *Relax*TM display is the fastest way to quick profits and faster inventory turns.
- The POP displays are laid out boldly to create excitement in store.
- Attractive display units complete with merchandising materials help boost sales.
