

SPA TIQUE™

SilSpa

Enjoy your spa
with all of
your senses!

Introducing SilSpa.
The non-chlorine, non-bromine,
easy-to-use disinfection program.

- No special equipment required.
- No effect on pH.
- EPA accepted.
- No odor, non-foaming.
- Contains no irritating "chlorine" or "bromine" fumes.
- During normal use of your spa, only add SilSpa once a month.
- SilSpa makes water more gentle to the skin.
- Compatible with all other Spa chemicals.
- SilSpa is safe for all spa surfaces and equipment.
- Comparable in cost to either chlorine or bromine systems.
